"I attended a public high school until my senior year, when I switched to Liberty University Online Academy. I feel that it wasn't my three years of traditional high school, but my one year of LUOA that prepared me for my college experience at Liberty. I was forced to learn to study of my own volition, rather than have everything handed to me.

I learned to **TEACH MYSELF** & take initiative in my own learning.  
what I need to know

*Isn't that what the real world is about?*

I feel that LUOA prepared me for my later years in ways I definitely didn't expect it to."

## Sharing Yeshua With the Jews

BY CHRISTY WILKERSON

Israel is on the brink of disaster! Iran is readying their nuclear arms for the express purpose of annihilating this nation. U.S. President Barack Obama is intent on dividing the land into two states—a Jewish one (which

cannot be tolerated by its neighbors) and a Jihad terrorist one. Leadership in Israel is in a state of disarray—their last election still has not formed a cohesive, sound, governing body.

In addition, the Jewish people are,

once again, despised around the world. (Note how Europe is embracing the Muslim and rejecting the Jew.) Religious leaders are embracing replacement theology, which says that Israel doesn't have a place in God's plan.

With this whirlwind of activity against Israel, what is going to happen? God, in His mighty, supernatural, unmistakable way, is going to save Israel. His Word declares it. It is a foregone conclusion.

But things are going to get so topsy-turvy that the only explanation for Israel's being saved from annihilation is going to be supernatural intervention—a true miracle. There will be no other way to explain what is going to take place in the next few weeks, months and years. Israel is destined to survive, thrive and be a light to all the other nations of the world.

Maoz Israel Ministries, established in Tel Aviv in 1976, is doing everything in its power to declare His glory, reach His people and see the salvation of the Jewish heart. As you partner with us, we will do everything we can to see Israel saved.

We are working at it every day. We are sharing the gospel, providing discipleship and translating materials into Hebrew. We are touching the hurting by meeting their needs—helping them to survive in a perilous atmosphere.

We are also providing a safe haven for our youth and our soldiers, preparing them to be strong leaders of Israel in the coming days. We are the hands, feet and heart of Yeshua—reaching out to every Israeli who is searching for truth and hope. Come alongside us, and together let us see all of Israel saved!

Remember, because we love our Jewish brothers and sisters, we are compelled to give them the opportunity to know Yeshua the Messiah, King of the Jews.
